The Villages at Pine Valley opens new Clubhouse

(PHILADELPHIA, PA) – The Villages at Pine Valley, Holy Redeemer Health System’s active adult living community for people 55 and older, recently celebrated the grand opening of its new clubhouse. This state-of-the-art facility offers residents a wide range of amenities in a warm, welcoming environment.

The clubhouse features a heated swimming pool, exercise room, library, creative arts studio, club room, café, a fireplace and an 1,800-square-foot great room designed for recreational events and social gatherings. Additionally, residents can enjoy a wide range of classes and organized activities that will be held in this space throughout the year.

“The Clubhouse meets the lifestyle needs of our active adults,” says clubhouse manager Virginia Simon. “It’s the social hub of the entire community – a place where residents can grab a bite to eat, exercise and join programs that keep them healthy and fit.”

Developed by the Holy Redeemer Health System and Bock Development Group, the Villages at Pine Valley is conveniently located in Northeast Philadelphia, adjacent to beautiful Pennypack Park. The Villages offers maintenance-free living in both condominiums and apartments, all of which feature exterior stone detailing, gorgeous landscaping, designer kitchens, a variety of floor plans and many custom appointments.

In January, more than 50 advance deposits were received for The Pine Views – the Villages’ first condominium building, which is slated to open in November 2008.

The Pine Views will contain 40 new condominiums featuring the latest amenities like walk-in closets, stainless steel appliances and a wide array of upgrades. Residents will enjoy a low-maintenance lifestyle that will include exterior maintenance, snow and trash

removal, and more. In addition, buyers will benefit from the city's 10-year tax abatement.

Truly the best of all worlds, The Villages at Pine Valley offers suburban convenience with easy access to both downtown Philadelphia and the natural beauty of the rural Pennsylvania countryside. Just minutes from Route 1 and I-95, residents are within a short drive of numerous parks and nature preserves.
